

The Black Authors Expo in late 2018 was the first event I did as an author. A few of my close friends convinced me to buy a booth and set up with no book. All I had was an idea and a few images but I was a hit. I debut Crown Comics at this event. Black Boy was only an idea but the start of the book. I met an author at this event that was able to get me in touch with the Artist that illurstrated Black Boy, Black Boy. I also met the my editor for Crown Comic. All in all I would say this was an amazing event that taught me a little can go along way.

Check out some pictures from that event.
